HANDS-ON LEARNING. HANDS-ON LIVING.

Assistant Professor of Agriculture

We are excited that you are considering a career with Wilmington College! Wilmington College is a career-oriented liberal arts institution affiliated with the Society of Friends (Quakers). Our beautiful main campus is located in southwestern Ohio. We offer a comprehensive compensation and benefits package for full time positions including group medical, dental, vision, life and disability, TIAA retirement plan, and tuition remission.

We encourage you to review our website and learn about our history, what we are doing today and how we are preparing for tomorrow. It is an exciting time here at Wilmington College.

Wilmington College is an equal opportunity employer and will not discriminate unlawfully in employment matters on the basis of race, religion, gender, color, ancestry, national origin, age, disability or any other category protected by law. EOE Wilmington College conducts background investigations including criminal, work history and credential confirmation on all employees as a condition of continued employment. Some positions may require additional motor vehicle record review and drug screening. Proof of eligibility to work in the United States is required.

Wilmington College is accepting applications for the position of Assistant Professor of Agriculture in Agricultural Business on our main campus in Wilmington to join a talented and innovative department beginning January 2023. This is a 9-month, non-tenure track position. The department values innovative teaching and faculty committed to engaging pedagogies, collaborative and interdisciplinary endeavors, global perspectives and providing hands on experiences to our students on our academic farm.

The candidate will teach courses in: Exploring Agriculture, Commodity Marketing, Computer Applications in Agriculture, Farm Management, Operations Management and will assist with the development of a course in Salesmanship in Agriculture.

Previous teaching experience at a 4-year institution, MSc required, Ph.D. preferred. U.S. farm experience desired.

Interested applicants should submit a detailed cover letter and resume unless otherwise indicated in the position information. Please specify position of interest in the letter of application and subject line of email (if submitting electronically). For positions requiring degrees, unofficial transcripts of college work are helpful.
