

Advising Perspectives Inventory

A quick and full workshop

*Buckmaster & Knobloch
& superb participant thespians*

Outline

- Introduction (complete questionnaire)
- Overview of the perspectives
- Lots of interaction (x 5)
 - Skits
 - Discuss in small groups
 - Popcorn reports
- Sharing of best practices & resources
- Wrap-up & evaluation

Five Perspectives

Group Discussion

1. Read the perspective
2. Discuss characteristics of the perspective in the role as an advisor
3. Draw a visual representation to help us remember the perspective while advising
4. Share with the whole group

For each skit/section

- Skit (2 min)
- Discuss in small groups (<3 min)
 1. What does the student need?
 2. Which of the 5 perspectives (primarily) fits this situation?
 3. What strategies/approaches would you apply?
- Popcorn reports (<3 min)
